

Declaration of conformity Regulation n° 1935/2004 & FDA-CFR21

We the undersigned, PARKER HANNIFIN MANUFACTURING FRANCE SAS, Fluid System Connectors Europe, manufacturer of fittings and industrial valves, hereby certify that products listed below use materials which have been designed for food and beverage applications.

Thus, these products meet all the requirements of regulation n° 1935/2004 and FDA – CFR21.

Regulation n° 1935/2004

Our plastic material supplier only use substances authorized by current food contact legislation in force Regulation n° 10/2011 which should be considered as specific measures for plastic within the meaning of article 5 of framework Regulation n° 1935/2004.

By Regulation n° 10/2011 amended by Regulation n° 321/2011, 1282/2011, 1183/2012 and 202/2014 – chapter II –

Compositional requirements :

- Restriction for 11-amino undecanoic acid : Specific Migration Limit (SML) = 5 mg/kg

Moreover, materials are manufactured according to the good manufacturing practices as defined by article 3 of the framework Regulation n° 1935/2004 and the Regulation n° 2023/2006. Particular measures have been implemented to collect the declaration of compliance of the raw materials and to assure a good level of traceability of material, which answer to the requirements of the articles 16 and 17 of the framework Regulation n° 1935/2004.

FDA

The materials also meet the requirements of the FDA CFR title 21 as follows :

- Seals : § 177.2600
- Grease : § 178.3570
- Body material : § 177.1500
- Colour : § 178.3297

PRODUCT IN COMPLIANCE WITH THE ABOVE SPECIFICATIONS:

LEGRIS part number: all references beginning by 65XX, 63XX

Description: LIQUIfit fittings

Date: Monday, 07 April 2014
